

**TAMMY LOVE, RHIA,
CCS, CDIP, CMA**

Director, Coding Classification
and Policy

American Hospital Association

Tammy Love, RHIA, CCS, CDIP, and CMA, is the Director of Coding Classification and Policy who brings more than 25 years of experience in health information management (HIM), coding, auditing, clinical documentation improvement (CDI), and regulatory compliance to the AHA. Among her primary responsibilities with the AHA is facilitating discussions among industry HIM, coding, and CDI experts focused on the annual Centers for Medicare and Medicaid (CMS) Inpatient Prospective Payment Systems (IPPS) proposed rule comment development. She works closely with the AHA Central Office coding team on regulatory and coding topics and facilitates the Coding Clinic Editorial Advisory Boards for HCPCS and ICD-10-CM/PCS. She also serves as the AHA subject matter expert and representative on the CPT Assistant Editorial Board and CPT Editorial Panel.

Ms. Love has a Bachelor of Science in Health Information Management. She is in the process of pursuing a Master of Science, in Health Informatics to enrich her knowledge and expertise.
